AC-LITE-H65™

The AC-LITE-H65™ is designed to efficiently cycle charge, secure & transport 30 15.6" devices, all within your budget.

KEY FEATURES

Charging Made Easy

The Intelli-Sense Smart Charging System is designed to charge your devices more efficiently. It detects which devices need charging first, then balances to ensure they all reach 100%.

65-Watt USB Charging Hub

65 watt USB-C, PD 3.0 Serviceable Power Hubs for fast and efficient charging of your devices.

Easy Cable Management

With integrated cable management, cables stay where they belong.

ID Made Easy

Numbered shelf strips makes identifying devices easy as 1-2-3.
