

OWL LABS

NEW WAYS TO MANAGE YOUR MEETING OWL

Control and customize your Meeting Owl experience

The Meeting Owl Tablet App makes it easy to manage and optimize the Meeting Owl Pro experience using an iPad to enhance hybrid collaboration and learning.

KEY BENEFITS

- Control your Meeting Owl Pro experience through personal phone or with an in-room iPad for increased management flexibility
- Streamline your meetings by viewing all settings and features on one screen
- Easily access new features on the Dashboard View, such as Presenter Enhance, Digital Whiteboard, and Remove 360° Pano

FEATURED IN

Loved by more than
58,000 global customers
